## **Garden City has a new look!**

In January 2015, Garden City participated in a Business District Assessment with Downtown Colorado, Incorporated (DCI). In their final report, DCI made several recommendations, including one to give Garden City a strong community brand.

In response to DCI's recommendation, the Board of Trustees hired a graphic designer to give the

Town a new look. The bright colors and boldness of the logo are the perfect introduction for the Town's revitalization.

Another part of Garden City's community brand is the new website, which will be online by the end of November. Look for more answers, more information and more fun at the same address:

# Recent Changes at the Town Hall

Garden City has had several changes over the last few months. We are pleased to continue to have the experience of Mayor Lonelle Archuleta, Mayor Pro Tem Clarence Krieger and Trustees Terry Greenwood and Fil Archuleta.

New faces on the Board of Trustees include Manuel Ramos III, Willie Spaedt and Tara Murlowski.

Cheryl Campbell, the Town Administrator, has been with Garden City for over eight years. Cheryl recently earned the designation of Master Municipal Clerk, evidence of her commitment to the job and to the Town of Garden City.

Former Trustee Abby Clabough is now working full time at the Town Hall as the Deputy Clerk.

## FALL CLEAN-UP DAYS

### NOVEMBER 4 - 6

Time to get homes and yards cleaned up before winter sets in. Dumpsters will be at four locations around town:

- 27th Street Rd across from Town Hall
- 7th Avenue, next to the Garden City Park
- 6th Avenue & 26th St. at Knights of Columbus
- 9th Ave. & 27th St. at the Kendrick's Home

This is a free service to residents and businesses in Garden City.

Please be sure to get all your garbage into the dumpsters and keep the area clean. Items

that are **not allowed** in the dumpsters include toxic chemicals, paint, oil, appliances containing freon (refrigerators, freezers, air conditioners, etc), and batteries. Call the Town Hall at 970-351-0041 for more information on Weld County's Hazardous Materials collection site.

Mayor Lonelle Archuleta and Trustee Fil Archuleta have helped the community through the Outreach Center at the Town Hall for four years. So far in 2016, the Center has assisted 141 families with clothing, food and other items. The Outreach Center is open from 10:00 AM to Noon on Wednesdays.

If you'd like to help your neighbors in need, the Outreach Center needs blankets, canned soup and canned fruit. Donations can be made at the Outreach Center or the Town Hall.

## Garden City Gives Back

### You're making Garden City greener. We're helping.

Garden City residents and businesses received landscape vouchers and water rebates again in 2016. If you haven't taken advantage of these opportunities, watch the Spring Newsletter for information on how to apply for a voucher and water rebate in 2017.

Other ways the Board of Trustees is beautifying Garden City is through residential and commercial revitalization and fence grants. Projects covered by the revitalization grants include:

- Historic renovation
- Removal of false façade
- Chemical removal of paint from brick facades
- Stucco, new or restoration
- Painting (all colors must be approved)
- Window or door replacements or repairs
- Repointing of mortar joints for bricks or stone
- Repair Porches or Decks
- Landscaping
- Exterior doorways facing the street

# Clarence Krieger

## Mayor Pro-Tem of Garden City & Colorado Motorsports Hall of Fame Inductee

Garden City's own Clarence Krieger was inducted into the Colorado Motorsports Hall of Fame on October 12, 2016.

Clarence Krieger began his racing career in the early 1950's, and competed in modified and late model divisions in Colorado and Wyoming for over 30 years of competition. He was always known as a "colorful character" and stout competitor who brought a strong sense of sportsmanship to the tracks at which he raced.

Clarence has lived in Garden City most of his life and has served on the Board of Trustees for decades, four years of which he was the Mayor of Garden City.

Congratulations Clarence!

## 8TH AVENUE REVITALIZATION

If you attended National Night Out, you may have seen our display with the conceptual plans for 8th Avenue. If you weren't there, stop by the Town Hall during our regular hours, and you can view the display in the Board Room.

The goal of the project is to make 8th Avenue

more attractive to residents, business owners and visitors. Making it easier to get around both on foot and by car are also part of the plan.

Do you want to receive email updates on the progress? Email [abby@townofgardencity.com](mailto:abby@townofgardencity.com) to be added to the list.

Dan Ruhala was one of Garden City's proudest residents and a member of the Board of Trustees. Dan took great care in keeping Garden City clean and green.
