

## Town of Garden City Minutes

April 3, 2009

Special Meeting

Mayor Miller called the meeting to order at 1:00 PM.

Mayor Eddie Miller and Trustees; Dennis Kendrick, Lonelle Archuleta, Fil Archuleta, and Brian Seifried were present. Staff present was: Cheryl Campbell, Clerk. Also in attendance was: Melanie Aims from CSU Extension.

The purpose of the meeting was to discuss the plans for the two proposed sites for a park. Melanie Aims is a student at CSU and she will be working on creating the plans for each site. She wanted to get ideas from the Board about what they envision for a park in Garden City. Melanie explained to the Board that she will create plans and present them to the Board and suggested that she also present them to the public at a future meeting. We could also have them on display at National Night Out, etc. Melanie asked the Board several questions about the two sites, the neighborhood and the residents. Brian Seifried asked if the Board would be able to decide what trees would be planted in the park and if there would be a sign. Dennis Kendrick asked about sidewalks and a storage shed if the site was next to town hall. Melanie explained that she would try to incorporate all of the Board's ideas into the plans. Melanie asked the Board if they would be interested in some type of community gardens, the Board agreed that they did not believe that there was enough interest from residents to support a community garden. There was some discussion about what age group the Board would like to target for use of the park. Melanie asked about the closest park facilities to Garden City which are Evans Community Center and Farr Park in Greeley. Melanie thanked the Board for their time.

The meeting was adjourned at 1:30 PM.
