INFORMATION PROVIDED TO COLORADO DIVISION OF
HIGHWAYS WITH PETITION FOR ANNEXATION OF
PROPERTY OF THE DIVISION OF HIGHWAYS

The following information is provided to the Colorado Division of Highways as part of a request to the Colorado Division of Highways from the Town of Garden City for annexation of a portion of 8th Avenue bordering the Town of Garden City. The information provided herein is pursuant to Division's directive pertaining to the annexation of Division land to a city or town.

1. The legal description of the map and map of the State Highway right-of-way to be annexed is attached hereto.

2. The reason for the Town of Garden City requesting the Division of Highways to annex this property is that the Town of Garden City has recently established a municipal court and has contracted for the City of Evans to provide police protection to the Town of Garden City and the Town of Garden City wants to enforce the Model Traffic Code upon the property described in the annexation Petition and Map.

3. A map showing the entire highway right-of-way is attached hereto.

4. Private property is being annexed as indicated on the attached map. The property owners have previously executed petitions for annexation.

5. Water and sewer services are currently available on both sides of the portion of the highway to be annexed. Such water and sewer services are provided for and administered by the City of Greeley.

6. The Division of Highways will not be subject to any taxes or assessments for special improvement districts following this annexation.

7. The Division of Highways and the Town of Garden City have previously agreed that the Division of Highways will be responsible for issuing of access permits to the area to be annexed and the Division will continue to have such authority after the annexation is complete.

8. The Town of Garden City will accept responsibility of law enforcement in the area to be annexed subsequent to the annexation.

Dated this 16th day of January, 1986.
