PET LICENSE APPLICATION

Licensing Requirements. Each dog so licensed shall be provided by its owner, keeper or harbinger with a collar or harness of suitable material, to which such license tag shall be securely fastened. Such collar or harness with such tag fastened thereto shall be worn at all times by such dog.

Rabies vaccination certificate required. The owner of every dog over the age of six months shall cause such dog to be inoculated against rabies, and such owner shall obtain from a licensed veterinarian a rabies vaccination certificate and tag. The tag shall be required to be attached to the collar or harness.

It is unlawful for any owner, keeper, harbinger or other person who has assumed the responsibility for a dog to permit such dog to wear any license tag other than the license tag issued by the Town for the dog.
